For only **£2.25** per pet per month, you can include Accidental Injury Cover. This provides cover for the cost of treating accidental injuries up to £2,500 per incident, subject to an excess of £75. Examples of accidental traumas may be a fractured leg following a collision with a car or ingestion of a poison or foreign body. Total claims in any 12-month period may not exceed £5,000. The cover is for treatment by our practice, however, in an emergency cover is extended to any UK veterinary practice. Please ask our reception team for further details of cover.
